TERMS OF USE

FIELD	DETAIL
Effective Date	June 1, 2026
Organized by	AppQuantum Publishing Ltd
Applies to	All content creators and UGC creators participating in the Program
Governing Law	Republic of Cyprus

TL;DR — Key Points

No subscriber requirements — rewards are based on views only

You must be 16 with an active YouTube, TikTok, or Instagram channel

Rewards are in-game items only — no cash payments

Your best video per month counts — views do not stack across multiple videos

You keep ownership of your content; we get a license to repost and use it in ads

Don't fake views — metric manipulation = immediate removal

Disclose the partnership in your video description (#ad / #sponsored)

SECTION 01

ELIGIBILITY AND ENROLLMENT

There are two ways to join the Program:

- **Direct Invitation:** We may contact you directly if we believe your content aligns with our goals.
- **Application via Website:** You may apply by submitting a complete and truthful application through the form on our official website.

To be eligible, you must:

- Be at least 16 years old (or the age of legal majority in your country of residence);
- Have an active and verifiable channel on YouTube, TikTok, or Instagram;
- Comply with all applicable laws and the respective platform's policies.

We reserve the right to approve or reject applications at our sole discretion.

SECTION 02

PROGRAM OVERVIEW

Once approved, you may create and publish original content featuring our participating mobile games (e.g., Idle Outpost, Gold & Goblins, LumberInc, Animal Valley, and future titles) on your approved channels.

As part of the Program, you will:

- Create and publish original content (e.g., gameplay, reviews, guides, creative edits) featuring participating AppQuantum games on YouTube, TikTok, or Instagram;
- Include required branding elements ("Game Identity") in the content description, such as official game links, and designated hashtags;
- Follow any additional creative guidelines we may share.

There is no monetary revenue share from in-app purchases under this Program. Your participation is rewarded strictly through in-game rewards, benefits, and statuses, as described in Section 5 and Appendix 1.

SECTION 03

CONTENT GUIDELINES

You agree to:

- Promote the games in good faith and in accordance with our creative guidelines;
- Create content that aligns with the tone and reputation of our brand;
- Include required Game Identity and trackable links in your descriptions and/or pinned comments;

- Clearly disclose your relationship with us (e.g., by using tags like #ad, #sponsored, or built-in platform disclosure tools) as required by the FTC or your local advertising laws.

You are strictly prohibited from creating or sharing any content in connection with our games that involves or promotes:

- Illegal products, services, or activities;
- Discriminatory practices, hate speech, or offensive language;
- Tobacco, drugs, alcohol, or unsafe supplements;
- Weapons, ammunition, or excessively violent/sensational content;
- Adult products, explicit content, or toxic behavior;
- Copyright-infringing or unauthorized third-party materials (including excessive unedited AI generation);
- False, misleading, or fabricated claims about the game's features;
- Harmful software, spyware, or cheating/hacking tutorials for our games.

We reserve the right to terminate your participation immediately and request the removal of any content that violates these guidelines.

SECTION 04

CAMPAIGN DURATION AND ACTIVITY

- The Program operates on an ongoing basis, calculated in monthly cycles (calendar months), unless stated otherwise.
- We may consider your participation inactive if you do not upload any eligible content for more than thirty (30) consecutive days. In such cases, we may suspend your rewards or remove you from the Program.
- We reserve the right to add new games, remove existing games, or adjust the Program rules at any time.

SECTION 05

5.4 Submission & Evaluation Rules

- **Multiple Submissions:** You may submit multiple videos. However, for reward calculation, only your best-performing video counts per evaluation period. If you submit multiple videos, the reward will be granted based on the highest view count achieved by a single video. Views are not cumulative across multiple videos.
- All tracking and validation of metrics will be conducted by us. In the event of uncertainty or suspected metric manipulation (e.g., botting, fake views), the final determination will be made at our sole discretion.
- Specific rewards broken down by game are listed in Appendix 1, which may be updated periodically.

SECTION 06

INTELLECTUAL PROPERTY & MARKETING RIGHTS

All rights to the participating games, their assets, and promotional materials remain with us or our licensors. We grant you a limited, non-exclusive, revocable license to use approved assets solely for creating content under this Program.

You remain the owner of the original content you create. However, by participating in the Program and submitting your videos to us, you grant AppQuantum a non-exclusive, worldwide, royalty-free, perpetual, and sublicensable license to:

- Repost, share, and display your content on our official social media channels, websites, and community hubs;
- Use, edit, modify, and adapt your content (including excerpts, screenshots, or thumbnails) for marketing, advertising, and promotional purposes, including paid User Acquisition (UA) campaigns across various ad networks;
- Use your channel name, voice, image, and likeness as they appear in the content for the aforementioned purposes.

The Creator hereby affirms that their voluntary participation in the Program and submission of content hereunder constitutes a separate, freely given, explicit, and informed consent sufficient to satisfy the requirements of applicable personality right and right of publicity laws for the uses of Creator's channel name, voice, image, and likeness.

The Creator further agrees, upon AppQuantum's reasonable written request, to execute any supplemental standalone consent or acknowledgement form that AppQuantum may prepare solely to formalise this grant in a specific jurisdiction, provided that such form shall not expand the scope of consent beyond that already given hereunder.

We will make reasonable efforts to provide appropriate credit (e.g., tagging your account) when featuring your content organically, though this may not always be possible in paid advertising formats.

SECTION 07

TERMINATION

We may suspend or terminate your participation in the Program at any time for reasons including, but not limited to:

- Metric manipulation (artificial views, bought engagement);
- Violation of these Terms or applicable laws;
- Behavior that harms our reputation or the community.

You may leave the Program at any time by contacting us at creators@appquantum.com. Save as expressly provided below, termination for any reason does not entitle you to any compensation, nor does it revoke the perpetual marketing license granted under Section 6 for content already submitted.

If these Terms of Use are terminated by the Creator for any reason, pursuant to the notice procedure set out in this Section, or by AppQuantum for convenience (reasons other than the breaches specified in this Section 7), the Creator shall remain entitled to receive any Rewards in respect of content submissions that have been verified and confirmed as eligible under the Quantum Tier System prior to the effective date of termination. Such Rewards shall be delivered within 14 (fourteen) calendar days of the effective date of termination.

SECTION 08

PERSONAL DATA

We collect and process your personal data (name, email, channel link, etc.) to manage your participation, communicate with you, and distribute rewards.

Please review our [Privacy Policy](#) for full details on data handling.

SECTION 09

LIMITATION OF LIABILITY

- To the maximum extent permitted by applicable law, AppQuantum shall not be liable to the Creator for any indirect, incidental, punitive, or consequential loss or damage arising out of or in connection with these Terms or the Program, including but not limited to loss of profits, loss of revenue, loss of data, or reputational harm.
 - AppQuantum's aggregate liability to the Creator for any direct losses shall not exceed the total value of Rewards delivered to the Creator in the three (3) months preceding the cause of action or 200\$.
-

SECTION 10

INDEMNITY

- The Creator shall further indemnify AppQuantum and each of its affiliates and representatives from any damages, penalties, losses resulting from any claims brought by a third party resulting from (a) the Creator's content infringing any intellectual property rights of a third party, (b) failure to include required advertising disclosures as set out in Section 3, (c) any material breach of these Terms by the Creator, or (d) any fraudulent or wilfully harmful act or omission by the Creator in connection with the Program.
-

SECTION 11

DISCLAIMERS & GOVERNING LAW

- The Program and its rewards may be changed, suspended, or terminated at any time at our discretion without prior notice.
- We do not guarantee any specific viewership results from your participation.
- Rewards have no cash value and cannot be exchanged for real currency.
- These Terms shall be governed by and construed in accordance with the laws of Cyprus. Any disputes shall be resolved in the courts of Cyprus.
- Upon the expiration or termination of these Terms for any reason, the provisions of Section 9 (Limitation of Liability), Section 10 (Indemnity), and Section 11 (Disclaimers & Governing Law) shall survive such termination or expiration and shall remain in full force and effect notwithstanding such termination.
